PROCEEDINGS UNDER THE PACKERS AND STOCKYARDS ACT

Docket no. 722—In re H. A. Moberly, Maysville, Ky., and Columbus and Marion, Ohio. The Acting Secretary of Agriculture on March 23, 1937, issued an inquiry alleging that respondent had engaged in and used an unfair, unjustly discriminatory, and deceptive practice and device in the buying and selling of livestock in commerce in that he had failed and refused to furnish a satisfactory bond or other indemnity to secure his obligations as a dealer. On July 22 respondent admitted the truth of the matters and things alleged and waived a hearing thereon. On August 11 respondent was ordered to cease and desist from doing business as a dealer without executing and maintaining a reasonable bond or furnishing other satisfactory indemnity and was suspended from registration as a dealer for 6 months with leave, however, during said period to apply for a revocation of this suspension by furnishing a satisfactory bond or other indemnity to secure his obligations.

Docket no. 758.—In re C. H. O'Hern, Sioux Falls, S. Dak. The Secretary of Agriculture on May 6, 1937, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that he had failed to give full and correct information respecting all of his transactions as a market agency and dealer to the United Livestock Co., a duly registered market agency engaged in clearing respondent's operations at said stockyards, thereby resulting in the books and records of the clearing agency failing truly and correctly to reflect the transactions of respondent at said stockyards. On July 13 respondent acknowledged service of the notice of inquiry, admitted the truth of the matters and things therein alleged, and waived hearing thereon. Therefore, on August 3 respondent was ordered to cease and desist from the unfair and deceptive practice and device alleged and was suspended from registration as a market agency and dealer for 1 year.
